

Welcome

.....

Welcome to All Saints CE Primary School. We are proud of the warm and caring environment that we provide for our youngest children. Our dedicated and highly professional team provide a wide range of learning opportunities in a safe and stimulating environment.

We are committed to serving our local neighbourhood by offering an education of the highest possible quality so that our children may realise their full potential.

We are a caring community where attitudes of mutual respect and responsibility are fostered and promoted; where everyone is valued; where personal endeavour is encouraged and where achievements are recognised.

We aim to ensure that our Christian values, Courage, Service and Truth, underpin the ethos of the whole establishment and the curriculum provision

Values

.....

At our school, our values are at the heart of everything we do. They guide how we learn, how we treat one another, and how we grow as individuals. We show **courage** by taking risks in our learning, practise **service** by doing things for others as well as ourselves, and value **truth** by being honest with ourselves and each other.

We are curious, enthusiastic learners who enjoy discovering new things. We also learn to show love, respect, and kindness to everyone in our community, embracing differences and celebrating each other.

“Love to learn and learn to love”

Here at All Saints we have high aspirations for all our community to grow, to be well rounded and confident with a strong sense of self-worth. We teach children to love to learn and learn to love, respectfully and inclusively.

Curriculum

.....

We are proud of the curriculum that is being developed at All Saints CE Primary School. It is designed to empower our children with a sense of who they are and where they come from. We want our children to leave school with the knowledge and skills they need to be successful learners, confident and curious individuals and responsible citizens who can effectively contribute to school life and beyond.

As All Saints staff, we endeavour to guide and inspire our children through excellent teaching, which reflects and responds to the children's individual starting points. As part of Learn Academies Trust, we benefit from being part of a research led school trust which opens up opportunities beyond our own school community.

What we can offer

.....

The history of the school can be traced back to 1881 when it occupied the Victorian building that is now the County Record Office.

We are a thriving school community, united under the leadership of our Headteacher. Over the years, our school has grown and developed to meet the changing educational needs of the local area.

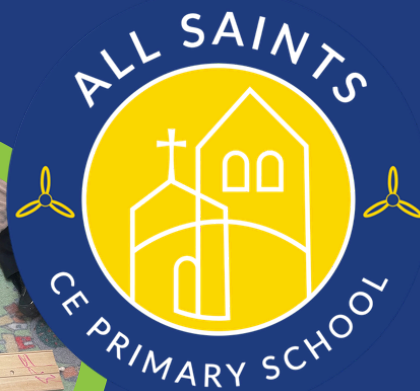

These developments have created a spacious, modern and well-resourced primary school. Together with All Saints Pre-School, we provide an excellent educational and recreational environment for children and families in the heart of Wigston Magna. We currently have around 250 children on roll.

The children at All Saints are taught in single aged classes for each year group. There is a teaching kitchen area, 2 halls, a library, our beautiful Peace Garden, and our abundant outdoor area for explorative and structured play, sports facilities and our woodland areas for Forest School.

All Saints Pre-School is an integral part of the building and is situated in an adjacent room to our Foundation Stage children. We run as one school under the leadership of our Headteacher and our Board of Governors chaired by Mrs Julia Hancock. We take children from 3 years of age and have funded places available. We believe that learning should be fun – developing your child's confidence and their excitement about the world around them is core to the ethos of the Pre-School.

The school enjoys strong links with All Saints Church and has a distinctive Christian Ethos. Within our school we aim to create a friendly, happy and caring atmosphere where Christian values underpin the ethos of the whole establishment and its curriculum provision.
